S. Cherry Cr.	Ed C.	7/10 Open		
Cherry Cr.	Scott V.	7/7 Open		
N. Cherry Cr.	Sharon B.	6/16 Moved barrier past the junction of 180/200 still closed. Wet, lots of washouts. FR 200 up and over hill from 180 rutted, washed out, but mostly dry. 4WD only to top. The access on FR 200 loop from Senate Creek side to top in much better shape. All of FR 200 is open now		
Senate Cr.	Sharon B.	6/16- I removed the barriers at the junction of 182/200. The switchback on 182 is still wet and washed out, so 4WD only.		
Gladiator Cr.	Andrea C.	6/15 Moved the sign up approx 0.2 miles...From there part of the trail/road has washed out.		
Horse Cr.	Helitack	6/16 Horse creek should remain closed due to water on the road, slick, potential for ruts		

Titus Cr.	Andrea C.	6/15 Moved the sign up to the turn-around area by the cabin...it's a mess further up!		
Owl Cr.	Scott V.	7/18 Open		
Galena Summit Comm. Site	Susan K./Scott Rollins	6/21 closed about 1/16 of a mile in due to a big snowbank on a steep section.		
Headwaters	Susan K./Scott Rollins	6/16 Open		
Pole Cr. Cutoff	Robin G.	6/16 Open		
Pole Cr.	Robin G.	6/29 FS #197 (Pole Creek Road) closed to all public motorized entry approximately 960 yards in length, beginning at a point approximately 3.25 miles east and north from State Highway 75 and .9 miles east of its junction with Valley Road #194.		
Smiley Cr. South	Liese D.	6/27 Open		
Smiley Cr.	Liese D.	6/27 Smiley Creek Road still has some wet spots but is open up to the culvert (5.3 miles up from the forest boundary). At that point the creek is outside of its bank and flooding the road.		
Frenchman's Cr.	SRS Fire	6/21 Still has some wet spots but is open up to the bridge (5.3 miles up from the forest boundary).		
Beaver Cr.	Jay	6/8 Road closed sign at Alturas Lake Road		
Alturas Lk.	Liese D.	6/8 0.5 mile on the dirt road just past Alturas Inlet CG- large snow berm in the road.
