

Trail Reports for Sawtooth NRA

****Unless otherwise reported-expect high creeks, snow levels at 7900 ft. and trees on trails.*

Due to high winds in the area, if trees were previously reported removed there may be trees down on the trail in the future.

Date	Name	Trail Segment	Conditions, Hazards and General Notes on Trails
7/24/2017		Grandjean TH, Baron Creek/North Fork Baron Creek Junction	North Fork Baron Creek-lots of brush, hard to follow trail. Baron Pass-snow hard to find route. Barron Lake-accessible, a few trees down.
